

Learning from experience - good and bad

Prompt Card

Anyone who has never made a mistake has never tried anything new.

Albert Einstein

Albert Einstein graduated with average marks and gained a reputation for missing classes. He went on to win a Nobel prize and revolutionise our understanding of the whole universe. His theories are the basis for many modern technologies like mobile phones, digital cameras, GPS and anything with lasers.

P.S. There's more help on learning from experience in the Start Bouncing section of the Bounce Back website: www.bouncebacknewham.co.uk
